they did not hold important posts, etc. MUDRYK indicated that another article would appear in the next issue of Shlyakh Peremohy on the same

a. KASHUBA visited ARCAPPLIN-1 following the former's phone call to discuss the matter further, ARCAPELIS-1 feels that KASHUBA attaches some importance to ARCAPELIS-1's letter but that KASHUBA's hands are tied, despite the fact that he is chief of the SB. ABCAPKLIN-1 feels that KASHUBA will eventually turn to ABCAPELIN-1 on metters regarding the enigration and the SB. One fact which ARCAPKLIN-1 feels he established via his letter was that the SB, and not CHATEOVSKYT, govern articles and policies of the BANTERA newspaper.

3. LS-58-26, 8 Feb 58, Yaroslava HYKITA and Cleksender Will - With reference to Philabenm's earlier talk with ASCAPELIS-1 (when it we and Cleksender WINTONTAK: decided that AECAPELIN-1 should use MIXITA as a source for data on conditions of the church in Poland and ultimately assess her regarding the possibility that she may have been dispatched to the West by an Rastern IS; see CR #66), AECAPKLIN-1 stated that he has postponed inviting her for two reasons. The first is that KASHUBA is continuing his debricking of MIKITA on her blography; should KASHUBA learn that ABCAPKLIN-1 has got alose to her, KASHUBA would become more engry and suspicious in view of peregraph 2, above. Secondly, VINTONIAK has kired her to work in his office (<u>Uniprova Khvylya</u>), despite the fact she has not yet obtained documentation and working papers. Parther, it appears that VINTONIAK wants

to marry her if she will accept him.

- a. KASHUBA informed AECAPKLIM-1 on 6 Pebruary 1958 that he is obtaining her deposition on her background due to the fact that the SB, in "borrowing" her notebook, learned that she is collecting names, addresses and phone numbers of prominent Uke emigres in the Munich area. In KASHUBA's mind, this is enother basic suspicion regarding
- h. 18-58-27, 10 Feb 58, UPSMING Revises its Instructions to ABCAPELIN-1: This report, which will be forwarded separately, deals with new UPSMING instructions for the modification of his reporting in the political sphere.
- 5. ABCAPKLIN-2 Trenslation: ABCAPKLIN-1 pessed ABCAPKLIN-2's trenslation of an article which appeared in the January 1958 issue of URDP/Left's newspaper, Vpered, entitled, "Instead of a Review of the Work by DJILAS". ARCAPELIN-1 obtained permission earlier to have this article translated since he felt that it indicates a trend URIP/L is following which is close to the line taken by Hoscow regarding DJILAS' book, The New Class. (Copies of this translation are attached to this CR as Englosure A for 5R, COS/G and MB.)

AECAPELIN-1 introduced this topic Bennedly akotorovich : ARCAPELIN- introduced this to by producing several photographs of KOTOROVICH in the presence of

Market Park

xuget

ABCAPELIS-1 and others (from RFS) at the recent Malanka (New Year's Eve) party. Iven SALYAK (SALAK) was the photographer. AECAPELDS-1 discussed comments made by Walter BAMAITIS about the fact that IS agents and priests are the only people who have access to good information (this comment was made when RAMAITIS noted AECAPELDS-1's large ears). AECAPELDS-1 went on to ask if he might bring up what he considered to be a semewhat umplessant topic.

raped

He indicated that although KOTOROVICH appears to be a target worthy of collecting data, AECAPELIN-1 felt be personally would like to diminish his contests, primarily of a social nature, since AECAPELIN-1 suspects that KOTOROVYCE has befriended AECAPELIN-1 for reasons which may prove to be unpleasant in the future. When he was saked to explain himself further, ABCAPELIN-1 said KOTOROVICH, in the company of others, has made ABCAPELIN-1 the butt of many jokes. ARCAPELIE-1 has accepted these insults since he felt he should maintain repport with KOTOROVICH for operational reasons. To such insults are added those of a more personal nature which KOTOROVICE has been throwing for several years. To illustrate his case, ABCAPELIN-1 made no bones in revealing that he had been sleeping with one Elisabeth WANSART (widow of a German who patented several scientific inventions; WANSART has an 18-year old daughter, Monda, who is attending an airline stewardses school in Frankfurt/M. AECAPHIN-1 more recently provided her with references in conjunction with her intent to marry an American stationed in the Carwisch area whom ASCAPELIN-1 believes to be a CIC employee.) When KOTOROVICH learned that APCAPMAN-1 was acquainted with, in the parlames of KOTOBOVICH's Unrainian language, "such a broad", he tried to out out AECAPELIN-1 by informing her of AECAPELIN-1's true professional statue, of the latter's "fishoos" and "other bed partners" and generally blackening ABCAPELIN-1. WANSART subsequently informed ABCAPELIN-1 regarding MOTOROVICH's statements and she did not particularly think highly of KOTOROVYCH. ABCAPELIN-1 in turn mentioned this to KOTOROVYCH as casually as he could and KOTOROVICH became very embarrassed and did not visit AECAPELIN-1 for about 10 days. This was only one of the number of illustrations made by ARCAPKIN-1 who feels that KOTOROVICH, beyond the point of sloudy becoming "a desiccuted Don Juan", may have other reasons for placing ASCAPELIN-1 in very indelicate positions. ABCAPKING-1 felt that he probably could continue obtaining useful data regarding KOTOROVYCH but he did not wish to continue playing the role of the peam in KOTOROVICH's game. He feels he can accomp lish this without eliciting any suspicion on the part of KOTOROVICE since ARCAPELIN-1 has refused several times to accept KOTOROVICH's bid that they address one another in the Ty (familiar) form. The undersigned agreed that perhaps it would be better for ABCAPELIN-1 to begin disengaging himself from the company of KOTOROVICH. ABCAPKLIE-1 said that undoubtedly KOTOROVYCH will continue calling on him to obtain driblets of data, e.g., on the Orthodox Church in Poland, for purposes of passing reports to RFE.
